

Damit! Nancy's playing some Enchanted Evening

June 12 - 2030 (FRIDAY JUNE 12, 1981)

(was leaning out window talking  
to Mario III, feeding "Mario" again?  
and get very strong pic of somewhere  
near Hidalgo dam - lake  
some voice  
(has learning opera)  
become gadget?

Lake

X like  
in here

word like Horns? ---? (not Bull Ranch  
very lush - pretty illo?)

Nancy play Dadfather now  
asking questions gets us freaked out  
fused in or stuff again  
maybe Bird Network is TV instead  
of just radio

we have 1st baby wheeyou - fat, fluffy, adorable  
sits on tray wheeyouing while eating dropped worms
