

Seto Feb. 7 (1981)

big important word I woke up with
starts with VE del VE something
I cannot get it right — del is right
the letters CO are in first part
— there are train tracks — maybe
estacion

Strong feeling that straight
up from Hermosillo is bad area
words like San Pedro — Los Angeles
Suggest worst parts of both —
something like billboards that
have parrots on are in here

RANCHO
NORIA
DEL VERDE

SAN PEDRO

LOS ANGELES

area with crop being harvested
