5:30 AM on the word  
Pajarito is extremely  
persistent (parrots?)

approx  
6:30 - several more in US

there is a natural bowl (round)  
in rock - <sup>maybe</sup> almost 1 yd wide  
must be shallow - they are  
taking bath in it -

there are white flowers - small  
kind of like where feeders  
are at your house - but  
those are pink - Barbé says  
Indians make soaps of
