think  $\frac{1}{2}$  roads

to something?

Warm Spring

12:25 remembering  
he has 12 children  
remembering great  
series pics of him teaching  
his #1 son to use a foot  
will be full color now  
my god! these are  
so many  
having terrible  
there are notes  
big pigs, but  
ate even this a 9 air

12:15

Suddenly realize he is not alone

there are two more (maybe more) taggins along - probs  
his sons - they are not other two dead ones

(was fixing little  
birds food)

everyone fed in cold  
Hermit Thrush came in hibiscus, not best with camera
