

Tues. March 3, 1981 ^{first after 7:30 weather}
Annapolis with lyrics as request yesterday on tape

Nancy 1st - Be Careful, It's My Heart
It's not my hand you're holding

and You are my special Angel
Sent from Heaven above
I feel like Columbus
felt, finding another world

If ever I would leave you ^(Emile in it)
Sunrise Sause + 10:25
ends 11:44 ^(NEXT TO BOTANICAL GARDEN IN 40MIN)

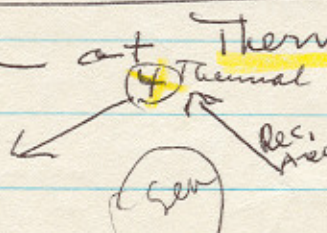

was thinking moments before

"Someone just got in Yuma at
Botanical Garden"

one farther along is at a Cemetery

the farther there is a Sida something

11:15 I am sure #3 has gone back
from Haltville to meet them

11:25 the Godfather at Thermal has turned
back this way  something is the matter in there
or that direction
