woke 4:45 Knowing Olga was getting  
to Filmore and that # One Son, Yuri  
and others that left last Sun. have  
caught up with her - she is safe and  
protected (she fully intends to get the  
children home in spring before her work is done)  
(the last night BMW who left Mon. early is with them)

it has been over 100 for several days - I  
went to sleep 1:00 (about) with sprinkler  
left on lawn - go out to pull up for  
last part - the moon makes everything  
light as day - Olga is at a house  
she's been to before - Sure Son has picture  
- worse jungle than here - stone chimney -  
criss cross - diamond windows - shaggy palms  
- some are in orange grove before this place
