Sun. Sept. 11, '83

writing at 11:45

- worn work at sink

10:30 - say in mind

"Why are all my wheeyous gone so soon this year?"

- the voice "Because they knew how hot it was going to be" (I suddenly remember

telling everyone in Feb. that the record rain years)

were the record heat years)

Just then KMPC said it

was 103 at their studio -

called weather bureau like  
I had used to -

Sept. 11, '83

they said downtown

LA 104° - valley

110° to 112°

I ask - "Where are my wheeyous?" - "High in Griffith Park"

~~I still~~ there is a sm + I think "Bulwer" w/ below are

had to go out to houses etc. Bill and Tina worst off

- filled all water put garden rain bird on - sm birds came right away
