Thurs. Oct. 20, '83

the early news said Mazatlan has been declared a disaster area - "hurricane Vito left 40 dead, countless missing, 25,000 homeless"

Last Sun. (14th) about 10:30

I said aloud sudden -

"My Request" just crossed the Puente - they are in Sinaloa."

Today -

I believe they are all safe - has been heavy rain, but it is fast -

they are in valley between El Puente - San Blas not too far so of railroad

Somehow am most aware of

Jule's beautiful little wife - so

like Olga - sings all the time -

Jule's has stayed with Uncle - instead of his father all the way (My Request brought him home in mind)

I know that the "Pinto Family" knows too have most beautiful, special protection know
