

SATURDAY, APRIL 15, 1983

DESIGN OF RESIDENTIAL CONCRETE & MASONRY WALLS & STRUCTURES • ENGINEERING CONSULTING SERVICE

Sat. Apr. 15, '83

(been terrible week
only wrote down soul
things here)

1:30 after dancing
worms etc —
no time to write
before

Last Sat - 9th - Challenge
— many more
orials - all who goes
home

told you someone-ones
were certainly at Oak Park

— Sun was cold - foggy - wind

Someone crossed Fwy — was near
Balboa man

early today one with V start
was back — using bar
ced timer

— been gone at least
3 weeks — can check fir dates
