Sun's Law. 9. 83 - 10:30

feeding all the worn fans  
— must stop and write  
a little at least of pi-shaw  
going thru my front headache  
EVERY BODY is on move

— Some are near <sup>and</sup> East  
of Ponio — some west of Badiragate  
over Prince (think was wheel pain  
in dreams — woke with that kind  
headache) has gone by — East of  
Bansa and Vandura — twin towns  
with river between — then just  
past Marajo — also near river —  
most certainly Sugar cane where he is

SATURDAY: TO MOCORITO SIGN - NOT THROUGH TOWN ITSELF
