Seem to be aware of  
four — # One Isrardson  
is 4 yrs  
Yuri and his brother  
(born '79 with cowbird)  
(nest over house together  
— then brother's 2nd nest  
between studio and house)  
they are good friends  
then Sasha — Uri's 3 yr old  
(had nest in pepper on lawn)  
believe he's taking front end  
Og's son is not with them
