

FRIDAY, SEPTEMBER 7, 1984

Fri. Sept. 7, '84

about 5:30 AM - Starting to get light
- all time record heat - both highs
and lows for more than a week
- had slept little - of course
worried about our birds -

wake seeing two male H's
sitting in bushy palm about
foot and a half apart - facing,
leaning toward each other, talking
- think is a little fast Descanso St.
- street names "Full Moon" (almost
is now)

"Emerald Isle" _____ near

"Inverness" _____ there is Country
Club - golf below that I have
not been aware of before -
it is old neighborhood, expensive
