Sun 9 — # 2

there is group of at least 3 families
at Grand something? Memorial Park
Street is "Sonora" — believe they have
crossed Fwy early this morning

I try to back track — last place pick up

before Fwy is "Travel town"

then "Lakeside Golf Club - Private"

then "Valley Heart" — it's too much stuff

— no time to write all

— it seems everyone is going this way now
old route too built up — no water etc.
