(think you're right
about where road she
is coming from)

about 15 mins ago kitty wanted
more food — put ^{you} out and went
to garage hunting (bigger) pots
for my Saguaro and other two
Mexican cactus in kitchen window

— brought back 3 — not big enough
"thinking" maybe could go in Carson's
quick when take Frances to Dr.

— want them here, never put outdoors,
they keep me thinking of my orioles
all day" — right away start

"Casitas" can't quite get right
is it Norcasitas? — Her? — Her?

it's by a river — before Hermosillo

also picking up "San Miguel" — is it river?

think it's Band 7 that fly together
and order with inverted triangle

Magnus — today" the ghost who loves you
most" signs on with Far Away Places

With Strange Sounding Names — If Ever I
would leave you and I'll Be seeing you

medley — Sorry — today propo —

we have 2 keyways near an Alcalá Mission S.D. — there's
a Friar's Rd.
