

FRIDAY,
AUGUST 21,
1981

Fri. Aug. 21 — 12:55 (no time
sooner)

very hot - but clear
(Dr. George had only Orange
and Riverside in bad air column)

Scott's are gone — all Bullock's
still here (one 2 yr old male
stopped to eat 10:00
yesterday)

Several new Wheyges — thin, mean
bad table manners

we have two of our B. mothers
and their children — their yearling
husbands left several days ago
(last Sat. or Sun.) think that is

who near Hollywood reservoir
there is Sto or Drive "Lake Hollywood"
names occur Neather (she's at David's)
Dorcas — Beachwood (Dr Ingelman's st.)

— On into nice hills area

(over)

very worried about Olga
and all — no names —

must be keeping babies hid out
good

FRI
MAY 21
1981

feel if:

they are
up in here
somewhere

You
know
Lake here

airport here

believe 2 - Yuri - # One Sout have
gone ahead to Wildwood area

only word comes to mind is

Relax (been feeling big move for all
across FRI tomorrow instead
at Sunday)

have only seen our male # that was taking palm
Sun. — other 4 that were here haven't
come to eat all day
