

somewhere
in here is
word Ferguson
like Maynard

Imperial Dam area

re: Meric, Dadfather et al
Sept. 18
(1981)

Yuma (w/ago)

Shortly past Yuma
desert area with fat round
Cactus - some taller than me
that has both orange
and red flowers big enough
for bird to sit on

Gila River

produce as far as can
see - huge areas

someplace has

stream
running down
with trees
drooping like
weeping willows

also places near
river or stream
looks like pine or spruce
but isn't really

When get near Dateland
must go down because mountains

dry desert Indian movie looking
area ahead
do not go
do not go to Ajo
but word there
lots nice places
all day yesterday
thinking better word
couldn't get right +
Why

I can see it all so well
Ogus of Scenes

there is a place
where people fishing
same road
not resort or big place
