

SATURDAY
AUGUST 22, 1981

August 22 - Sat. - Noon news just start
(hijacking Polish plane)
writing in kitchen (Voyager feeling
Saturday pull)

on washing machine to watch what
goes on - 1st moment to sit today
new wheeyous eating like wolves
- R gatorade qt. was filled at 7:00
is almost empty - new cooling
- there is not one crumble left
for chickens - they are thin
and dark - very little moult
yet - wild and fast - not like
our lovely fat easy going ones

Will try to get events in
right order

Moon was last quarter 7:16 AM
trize Venus and Saturn

didn't get up till 6:20 - got more
worms immediately - some still there
felt already at peace about Olga
and all - A okay - more accomplished

pg 2

only word that might be
a street — I think shortly
after 7:00, is Joaguin —
believe they are now above
golf course area

Bobby twin father was here
yesterday — gone this morning
— his wife and 3 babies who
just learned to eat on own
Mae. still here

all Bullock's still here

big bunch new Wheyours
arrive 9:30 — they ate up
all fish feeder in addition
to everything else — went
out to fill — Jon drove out
as doing it — just moment

(pg 3)

later all our wheyous
went over my head - thru
dolly's yard - down in
direction of Howard's house
- went in barn and sprayed
horses - back in house it was
10:34 - - - - - cried till very sick

10:45 long H. mother has first
baby to hiliscus to be fed.
(check "take palm" on calendar)

11:00 another smaller mother took
big mouthful from cup on feeder

11:20 green jay eating on L -
open R window - to put worms -
5 or 6 H females were taking
palm - took 4 pics to prove -
what on earth is going on?
where are daddy? - will watch for
them later (saw sp. male eat 1:10)
