Oct. 31

expected orioles in San Blas
area by this weekend —
sure most of them are

think Olga's San Blas this side where Charay are two lakes" banana trees	Mario's this side there is sugar cane — all kinds of everything growing
--	---

there are acacia and
Cottonwood trees near streams
railroad tracks
So much — many scenes
can't write all down
word Marañón occurs — persists
may be sign to — or some one has
gone on
