

SATURDAY, OCTOBER 31, 1981

Oct. 31 - 10:30 — minute

Sat down Jeanne (freezer staff)

Frances (want pig gift wrapped) both

Came in — Honey have to go out —

worms etc etc — it's 11:30.

been going nutsy worrying I'd

forget this — is biggie Sue

Consistently avoided letting

in — probably because I

think the San Berdoof Ferry

is the ugliest, dirtiest, most

dangerous place I was ever

in — missed by inches

being killed on it more times

than I care to remember

— knew they had to cross it

when woke freezing at 6:30 was

Sure mother theerpu had made it

to Whittier N. golf course & was quite light
out

Oct. 31 - (2)

Alhambra
Self place

into

San Gabriel
Park

(like Hall)

Manley

other stuff
in here can't
quite remember
maybe will
when not
+ thinking

Nowood is important

Can't get just where cross ferry

" SB Ferry

on other side:

Dorothy (Butler called
said card from her
on table last night)

thoughts
Regarding
familiar

Falling Leaf
(they're everywhere
on place - think of her
as "Last Leaf")

Emerson (his essay I tore from
your magazine two
days ago is also
on table)

Big Park-

Little
Park

Starts with 3

(Can only think
of guide who
took Kennedy pics)

Fern

into
Whittier Self

around here
maybe
beginning word
with fern in
