Sunday Oct. 11

Woke seeing a fiesta in great detail — I am looking down ↗ street and looking down on entertainment — there is an old church on R I can see all facade — only church in Jo's book that looks like it is one in Aconchi — cannot say for sure — there were very good male dancers, but they looked down at their feet — group of little girls — think were supposed to be in a circle but weren't — nice costumes, but didn't know what supposed to be doing — remember much more
