JON DIEGOS, Architect

15

Tues. Dec. 15 - noon

Honey at Blanchi

Bob at P.O. call that woman came

on 11:30 bus — call back 11:45

that girl just got back from lunch  
and will bring in about hour

— had my giant seaguard in sink  
give bi-monthly water and suddenly  
thought "someone just got to  
"Oriachi" (think is near Oregon Lake)

---

in last couple of weeks have thought  
"Cocorit" — (think is just same lake)

"Mochicabui" (think near San Blas — just  
and west)

over

for at least 10 days) been thinking  
of "Iamazula" many times a day  
and think "it is on the other side  
of the lake and near my mountain  
you can see from Amatan"
