was doing work near left
feeders. Thinking should
I write Joannie and ask
about fire? if they have good
camera? - you make list
places etc? — Olga came
into mob, got worms from
lid - went to bush - came back
and got more —

"El Capitan" is suddenly very
important - must be to do with
her - think it is street or road
other words like names of dances
or moon landing - can't get clear
there is lake or reservoir or some
water near
