Sept 10 - Thurs. 10:00
had to get bigger paper - must do before forget - have
great nervousness all over - increased as doing chores -

can make better later

Gene Dry is positively Wheygas - not Olga family
then went thru Silverado

11:10 was cutting words for Robin
thinking "we want Nancy Goch -
we don't like Annette - she
hasn't played Olga's Song"

- of course it started
immediately - was recording
Pep 10:30 - turned off - little
thought "they all began"

must save a little for it - Annette is on BBW now
