JON DIEGOS, ARCHITECT

THE NORTH HAVEN AVENUE & CIVIL ENGINEERING GROUP AND ARCHITECTURE FIRM HAS OPENED HERE

Wed. Sept. 16 - 8:30 PM

very tired - terrible headache all day - up since 5:00 - photographing Baltimore-Bullocks - writing who arrived, went what time - keeping all fed - Wheyans left 10:30 - now arrive 3:00 - a few Hs and B's still here

---

think about 11:30 started thinking "Fallbrook" over and over - don't know where it is <sup>avocado trees</sup> - feel strongly it is Wheyans and they are going to Lake San Marcos - between 3:00 and 4:00 (after new Wheyans arrive) think Murphy Canyon and Mission Dorge (reservoir?) - believe is Wheyans words

----- Later "Wildcat Canyon" - think is Ballots ----- countless scenes, impressions all day - Bobbie at present park
