Friday Jan. 25, '85

10:30 AM

told you early we may have birds
in US as soon as next Tues. or Wed.
— the Hand B that started together
Dec. 22

have "El Sonic" on mind (somewhere
near Coyote arroyo on way to Pictorial)
of course also have on mind "is
John Young going to land Discovery
where we get to hear sonic booms?"
might have stirred together

"it's like the Shrine Auditorium
from the freeway"

this is back of what I see
and much closer — was not
aware of smaller dome

the palm trees are way off
to right in this picture — Jim's
mind

— the street has arches something
like our arcade
