Tues  
Mar. 25, '86 - 12:10

(warm  
sun  
full moon)

Sat. 23 I told you when  
I was work-work at sink  
12:05 I suddenly thought  
"we've got 3 whoyous in Sin"  
there was a Madera Rd  
— just now same thing  
happened — I guess  
it's Moorpark —  
there's a "Walnut" canyon  
or creek or something  
and a street named  
"Darlene" — Steffen's  
son, Neil jr., is married to  
a Darlene and I hear the  
word almost daily from  
Frances
