

**STATE SYSTEM**

**75** Odd numbers are north-south routes

**195** First digit odd; spur into a city

**CALIFORNIA HIGHWAY PATROL  
EMERGENCY TELEPHONE**

Dial Operator, ask for  
**ZENITH 1-2000**

Use this number to report only an accident or  
traffic emergency occurring outside of cities and  
on city freeways not having special call boxes.  
(On city streets, ask for local police.)

For non-emergency calls, use number listed in  
telephone directory for Highway Patrol under  
"California, State Of."

**75** Red highway numbers indicate  
Nevada state route changes  
effective July 1, 1978.
